## Social value

### **Carly's Angel's Summer Programme.**

Carly's Angel's are the first applicant to receive funds from the Bouygues UK Community Chest. A fund which has been available to local charities and organisations as part of our Social Value commitment to Ebury.

Carly Taplin, owner of Carly's Angels, has used some of the funding to provide a free summer programme for local families. Each session has had a different theme from mini beasts to construction.

### **Gardening at Westminster Memory Service.**

A team of Bouygues UK volunteers put on their gardening gloves to help in the Westbourne Park Road centre's beautiful garden used by their service users.

### Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

**Please do not enter the construction site, unless it is part of a pre-arranged visit by our project team.**

- Our operatives and staff are trained to work safely

Please help us to keep you and children safe, and take extra care during the school holidays.
