Ebury Bridge Estate Bulletin

29/08/2024

Welcome

Bouygues UK is working to the highest standards to mitigate disruption to residents as much as possible.

The purpose of this bulletin is to inform you of forthcoming works and any possible disturbances which might be caused by these works prior to their delivery.

Forthcoming construction

Dear resident,

We are writing to inform you of upcoming works in the area between Doneraile House and the MUGA. These works are to install and pull the cables required to energise the Ground Source Heat Pump infrastructure.

Commencing from the 3rd September, these activities are anticipated to last around two weeks and are not expected to cause disturbance.

The MUGA will remain open throughout.

- Our operatives and staff are trained to work safely

Please help us to keep you and children safe, and take extra care during the school holidays.
