Over the next few months,
you will notice...

Current Works

We are still in the pre-construction phase of the project which is the time where we carry out necessary surveys to help us develop the full scope and plan for the works. Later in the year we will start carrying out surveys on site, and you will start seeing our staff around. We will always provide sufficient notice of any works activities to keep you all up to date on how the project is progressing.

Coffee morning

We are looking to plan monthly coffee mornings to give us the chance to get to know the residents of Ebury Estate and the surrounding areas. We are going to kick these off on Monday 3rd March between 11am – 1pm at Ebury Edge. Members of the McLaren team will be there to meet you and answer any questions you may have about phase two of the works. Members of the Westminster, and Estate Management teams will also be in attendance (as well as plenty of sweet treats!). We look forward to meeting you. .

Meet the team event

We will be arranging a Meet the Team event on Thursday 10th April, 5pm-8pm. This is a chance for you to meet our team, as well as a way for us to hear from you. We want to know what your expectations are of us and how we can have a positive impact on the local community.

Social Value

Over the next few months before we start works on site, we will be carrying out several social value activities. These are the ways we work with yourselves, and others in the local community to give back. In each of our monthly newsletters, we will be keeping you updated

We are **Respectful**

We are **Understanding**

We deliver **Quality**

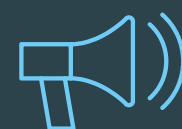

We are **Attentive**

We will be looking for a **Business Support & Admin Apprentice** to join our team. If this is something you would be interested in finding out more information on. Please send an email to EburyResidents@McLarenGroup.com. We will also be happy to talk through any other opportunities at both our monthly coffee mornings, and the Meet the Team event.
