Welcome to Mandeville's First Residents!

We're delighted to report that in the last few weeks, the first residents moved into their new homes at Ebury Bridge! Residents started moving into Mandeville Apartments in December 2024 and will continue throughout the next couple of months.

To support the moves, the Regeneration team has produced a set of documents with key information about your new home.

A 'Welcome Booklet', a 'Good Neighbour Agreement' and a 'Home User Guide' supported by 'How to' videos are available in print on your move in and also on our website's community section.

If you are an Ebury resident awaiting your move into Phase One, you will either have your move-in date agreed or this is being arranged with your relocation officer.

A PICTURE PERFECT WELCOME

Marking Completion with Residents

Thank you to residents who joined us for the special occasion at the end of last year to celebrate the completion of Phase One. In the final few months of 2024 we were also able to produce a 'Countdown to Ebury' video, hearing from the Westminster and Bouygues teams and residents looking forward to moving in. Don't miss it! You can view the video at eburybridge.org/news or scan the QR code.

Jingle all the Glastonbury Way

It was fantastic to see Ebury residents and residents of Glastonbury, Flaxley and Buckland Houses who attended the community Christmas event on 13 December.

Entertainment came from the amazing jazz duo 'Smokin Mirrors', and the food trader KK Catering served up a firm favourite fish & chips meal.

The council would like to thank McLaren, our contractor appointed ahead of Phase Two, who helped to support this successful event.

Thank You to Residents from Lianne

Ebury Resident Lianne from Doneraile House would like to say a huge thank you and a happy new year to residents who signed a card and sent flowers as she recovers from her recent operation.

Lianne said: 'I really appreciate the thought from my neighbours and Ebury residents and it just goes to show what a tight knit community we are'.

The Ebury Regeneration team wishes Lianne a speedy recovery.

Register your interest for a portrait in your new home

Email the team, eburybrige@westminster.gov.uk, to get your household portrait taken! This is a great opportunity to have a professional photo of you or your family in your new home. The team will send further details of the photography sessions which are likely to be in February. The portraits will be printed in A3 format for everyone that takes part.

Ebury Bridge Road Works

Improvements to gas pipes will take place on Ebury Bridge Road from 24 February and that will last for four to five weeks.

The replacement gas mains will replace old pipes connected to the Ebury Bridge Estate, to allow the continued regeneration of the site.

HOW WILL THE WORKS AFFECT YOU?

To carry out the works safely the eastbound lane of Ebury Bridge Road will be closed to traffic and a diversion route installed. Footpaths will remain open.

WILL YOUR GAS SUPPLY BE INTERRUPTED?

During the works it is not anticipated that there will be any planned interruptions to gas supplies.

Cadent, the company that will carry out the works, can be contacted by calling **0800 0854 478** or emailing **customercareslondon@cadentgas.com**

Thank you for your patience during this disruption and Cadent will be working to get Ebury Bridge Road back to normal as soon as possible.
