

## Welcome

Dear Residents,

Bouygues UK is working to the highest standards to mitigate disruption to residents as much as possible.

The purpose of this bulletin is to inform you of forthcoming works and any possible disturbances which might be caused by these works prior to their delivery.

## Forthcoming Construction

We have now reached the stage in the programme where it is time to install the pumps required for the Ground Source Heat Pump- the heating source for the new buildings.

Commencing on the 23<sup>rd</sup> May 2024, the boreholes located in the playground and the service road between the MUGA and Grosvenor Waterside will be fenced off 3-4 times for a duration of 3 hours over the course of the next 2-3 weeks.

The playground will remain open throughout and we don't anticipate these works to cause any disturbance to residents.

If you have any questions, please contact our resident Liaison Officer, Kathryn, on the detail overleaf. Alternatively, you can contact us here:

## Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

**Please do not enter the construction site, unless it is part of a pre-arranged visit by our project team.**

- Our operatives and staff are trained to work safely

Please help us to keep you and children safe and take extra care during the school holidays.

## Considerate Constructors Scheme

As with all our projects, this site will be registered with the scheme, and regular visits from the Considerate Constructors monitor will help us to ensure that we continue to focus on:

- Respecting the community
- Caring for the environment
- Valuing our workforce

Please let us know if you have any concerns.

Our contact details are below.

If you would like further information regarding the scheme you can visit their website at:

[www.ccsscheme.org.uk](http://www.ccsscheme.org.uk)

## Standard site working hours are:

**Monday – Friday:** 8 am – 6 pm

**Saturday:** 8 am – 1 pm

There should be no deliveries btw 8–9:30 am and 3:00-4:30 pm

**Out Of Hours: 0845 6430626**

## Want to speak to us?

We understand you will want to know what is happening in your area. Our team is available to answer any queries or concerns you may have and are only too pleased to hear from you. If you have any community projects that you think Bouygues UK could get involved with, please contact the site team below.
